Thanks, Lorena.

Quick question. Just to confirm for the existing Port of LA parcels, the second dash should be three characters from the right, making the first APN 7440-024-911 and so on, correct?

David,

Attached is our current assessment database as well as the possible expansion parcels. I would want the map to differentiate the following parcels:

Existing parcels (non-Port of Los Angeles)
Existing Port of LA parcels. These are the current Port of LA Parcels.

7440-02-4911
7440-02-6903
7440-03-0906
7440-03-0908

7440-03-1904
7455-01-9916
7455-01-9922
7455-02-7932
7455-02-7933

Possible expansion parcels. - See attachment.

I look forward to receiving your proposal.

Hi Greg,

Does NBS produce parcel maps? I'm doing our BID renewal.

I look forward to hearing from you.
